

LUXE TURF

Garden

Luxe combines its BodyShape "D" monofilament with the SoftMax technology to achieve a great recovery and a natural look of the highest quality, making it ideal for every kind of garden. Its green and brown curls gives your garden a more natural look.

This model is ideal for all types of gardens, whether public or private. It is also ideal for high standing terraces and rooftops. Great choice for those who are looking for softness and resilient lawns.
